If you move within the United States, warranty service may be requested from any authorized Chrysler, Dodge, Jeep or Ram dealer.

In Canada and Mexico: If you are traveling temporarily in Canada or Mexico, and your vehicle remains registered in the United States, your FCA US warranty still applies. Service may be requested at any authorized Chrysler, Dodge, Jeep or Ram dealership.

**WHAT IS NOT COVERED UNDER THIS FCA US LLC LIMITED WARRANTY**

**Some Modifications Don't Void the Warranty But Aren't Covered**

Certain changes that you might make to your vehicle do not, by themselves, void this warranty. Examples of some of these changes are: (a) installing non-FCA US LLC ("FCA") parts, components, or equipment (such as a non-FCA radio or speed control); and (b) using special non-FCA materials or additives.

But your warranty does not cover any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle. Nor does it cover the costs of any repairs or adjustments that might be caused or needed because of the installation or use of non-FCA parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA parts. Repairs or adjustments caused by their use are not covered under your warranty. Examples of the types of alterations not covered are: (a) installing accessories - except for genuine FCA / MOPAR accessories installed by an authorized Chrysler, Dodge, Jeep or Ram dealer; (b)

Nor does your warranty cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranty does not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

**Maintenance Costs Not Covered**

Your warranty does not cover the costs of repairing damage caused by poor or improper maintenance. Nor does it cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranty does not cover the costs of your vehicle's normal or scheduled maintenance - the parts and services that all vehicles routinely need. Some of these parts and services, which your warranty does cover, include: (a) lubrication; (b) engine tune-ups; (c) replacing filters, coolant, spark plugs, bulbs, or fuses (unless those costs result from a covered repair); (d) cleaning and polishing; and (e) replacing worn wiper blades, worn brake pads and linings, or clutch linings.

FCA will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

**Restricted Warranty**

Your warranty can also be restricted by FCA. FCA may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA before covered repairs are performed.

**Registration and Operation Requirements**

This Limited Warranty covers your vehicle only if: (a) it is registered in the U.S.; (b) it is driven mainly in the U.S. or Canada, and (c) it is operated and maintained in the manner described in your Owner's Manual.

**Other Terms of These Limited Warranties**

Punitive, exemplary or multiple damages may not be recovered unless applicable state or local law prohibits this disclaimer. No person, including FCA US LLC employees or dealers, may modify or waive any part of this Limited Warranty.

**General Information**

It's your responsibility to properly maintain and operate your new vehicle. Follow the instructions contained in the General and Scheduled Maintenance Service guidelines in your Owner's Manual. Regular, scheduled maintenance is essential to trouble-free operation. If there is a dispute between you and FCA US concerning your maintenance of your vehicle, FCA US will require you to provide proof that your vehicle was properly maintained.
